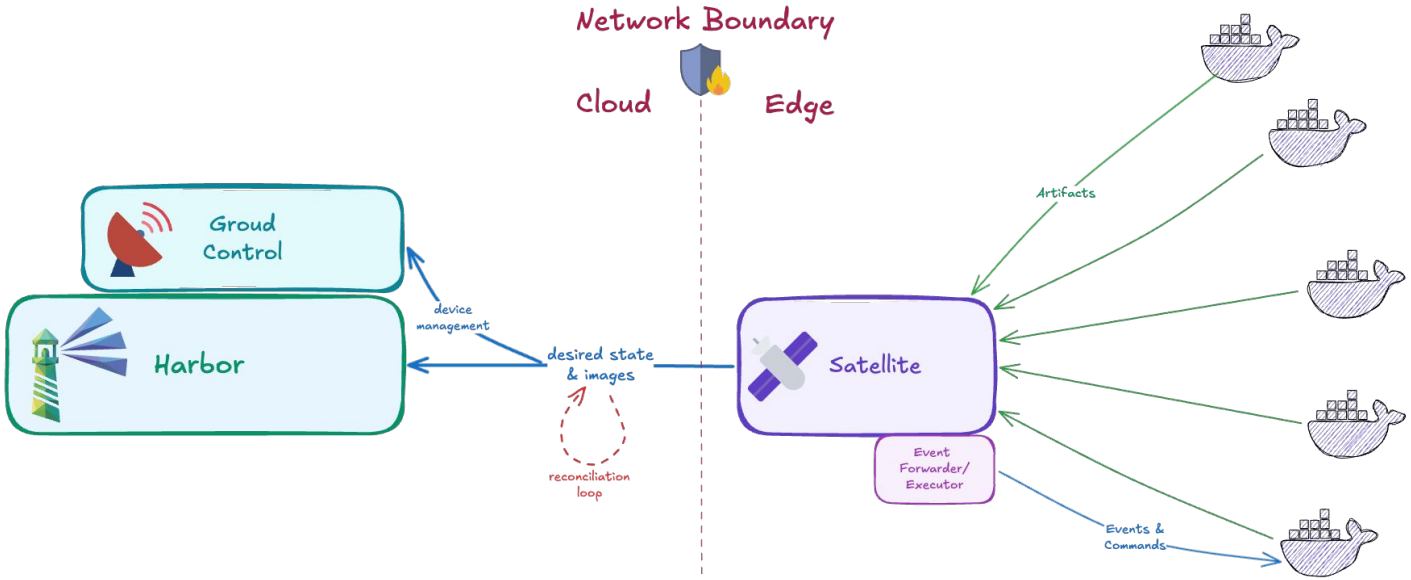
Sub Projects of Harbor ??

Harbor Satellite

- Its a stateless, secretless, zero-trust edge registry, with very minimal footprint
- Please come to Satellite Talk

  Kubernetes on Edge Day (Emerald Room) - **12:25 PM**



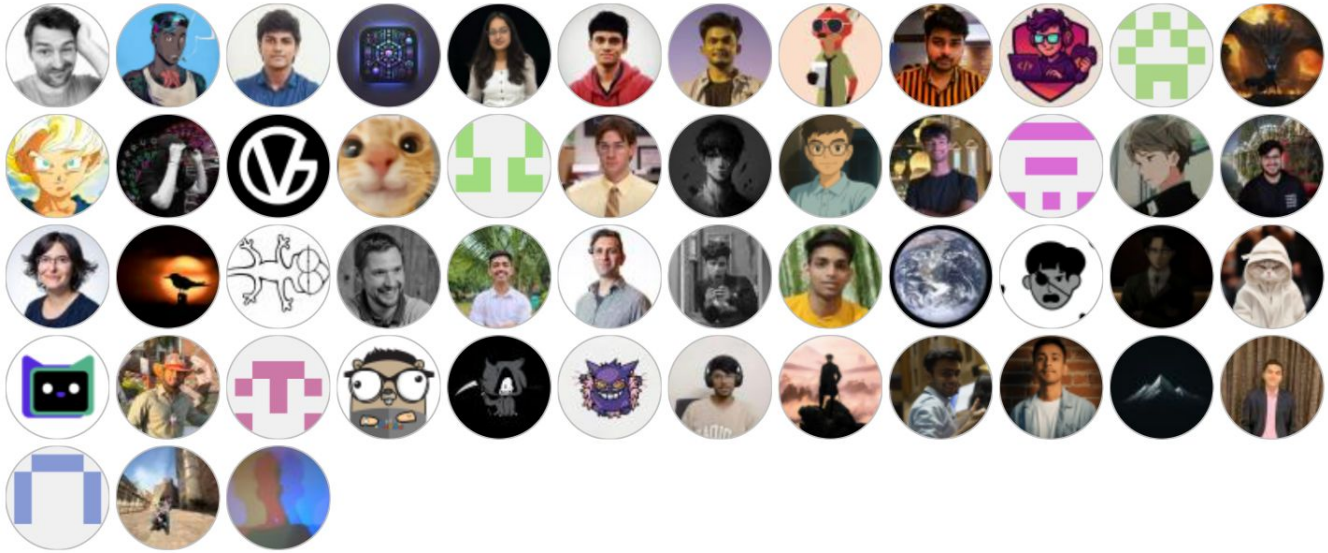
Harbor CLI 🎉🎉

KubeCon CloudNativeCon Europe 2026

- Celebrating 130k+ downloads in harbor-cli
- If you haven't tried harbor-cli yet, check it out
- https://github.com/goharbor/harbor-cli

Thanks to ….

- People behind Harbor-CLI



Thanks to ….

- People behind Harbor-CLI
- Every Maintainer of Harbor-CLI started as a mentee.
- Special Thanks to Lakshit and Patrick.

Patrick

Harbor CLI 0 CVE

- Unlike some services - who claim to provide 0 CVE hardened secure images and suddenly vanish or go behind a paywall
- There is a single oneline cmd you can use with harbor-cli to find and fix vulnerable images in your supply chain

- **REACH OUT TO BOOTH** - to find out.
